NOTES:

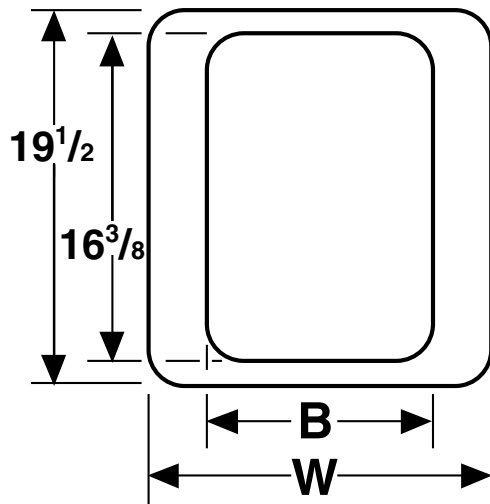

- Individual restrictors are available by part number - PN664*** (where *** represents the size). Example: 664103 is a restrictor 0.103 in diameter.
- Refer to sales specification sheets for Listed/Certified combinations of equipment and required accessories.
- X in the model description designates factory installed TXV for R-410a refrigerant.
- Refer to the current AHRI Directory for certified ratings of split systems.
- Not required for "H" horizontal ready coils.
