

P6SD Series

13 SEER, Three Phase, Packaged Air Conditioning 3-5 Ton Units

The P6SD Series packaged units are high efficiency self contained cooling units that can be installed on a roof or on a slab. The convertible unit design makes installations simple in all applications. Units are ETL and ETLc listed. The unit is truly designed with the contractor and the end user in mind.

WARRANTY

- One Year Commercial Parts Warranty
- 5 year limited Compressor Warranty

FEATURES and BENEFITS

- **State-of-the-art Copeland Scroll** compressor is standard equipment.
- **Proven, Industry Standard Components** Easier service and availability.
- **TXV** Externally equalized. Provides precise refrigerant control under varying load conditions.
- **High Pressure Switch** Protects against abnormally high system pressures.
- **Liquid Line Filter/Drier** Insures clean and dry refrigeration system.
- **Externally Accessible Service Ports** Quick access to refrigerant system without disrupting operation.
- **Compact Footprint** Easy to handle and transport.
- **Convertible Air Delivery** Horizontal or downflow to accommodate rooftop or horizontal application.
- **Heavy-Gauge, Full Perimeter Base Rails** Facilitates forklift handling and curb mounting.
- **Galvanized Steel Cabinet** with polyurethane finish provides 950 hour salt spray protection.
- **Wire Guard Coated with Earth Friendly Epoxy and Plastic Mesh Hail Guard** will never rust and protect the coil from being damaged by balls, lawnmowers, hail etc.
- **Corrosion-Resistant Drain Pan** Quickly drains away evaporator condensate.
- **Quiet Operation Low Vibration.** 20" fan blade combined with custom venture condenser fan opening.
- **Access to Controls and Major Components** Easy in and out service.
- **Service Access Panels** To all major components and the compressor. Designed to make servicing easier for the Contractor.
- **Factory Installed Filter Rack** 1" or 2" Capable.
- **Easy to Install** Electric heat strip provides 9 or 15 KW of heat output.
- **Accessories** Roof curbs, economizers, fresh air dampers and more.
